Gerloff Company Announcement

The Gerloff Company, Inc. is proud to announce that Dustin and Derek Gerloff have each been named as a Vice President of the Company. Dustin and Derek are also in a transition process to take over as the primary shareholders of the company in the next five or so years.

Dustin Gerloff joined the company full time in 2009 and has held multiple roles within the company. Dustin started out working in the field as a water technician, and was then promoted to superintendent, to sales estimator, and then to General Manager of the Remediation Division. Dustin also holds his Master Restorer Certification through the IICRC. The Master Restorer designation includes: Master Water Restorer, Master Fire and Smoke Restorer, and Master Textile Cleaner. Dustin is excited to share the knowledge he has gained over the years, and is a great resource for any questions you may have concerning the restoration process. Prior to joining the Gerloff Company, Dustin owned his own business and worked for Austin Commercial on the San Antonio JW Marriot project. Personally, Dustin is a graduate of Texas A&M University and he, his wife Aly, and their two year old daughter live in New Braunfels.

Derek Gerloff started working for the company in 2002 and has also held multiple roles within the company. While in school, Derek worked summers in our fleet shop, the tool room, and then was promoted to warehouse manager. He then became a marketing associate, focusing on our Investigation Laboratory and our Emergency Preparedness Plan Program. In 2011, he joined the company full time as a Sales Estimator in our Construction Division. From there he served as the General Manager for Gerloff Floors and Fixtures and worked on getting the division started. For the past two years Derek has served as the General Manger of our Austin Operation. Derek is also working on obtaining his Master Restorer designation through the IICRC and only has a few classes remaining. Personally, Derek is graduate of Texas A&M University, and he resides in Austin, TX

Please join me in congratulating Dustin and Derek on their new roles within the Company.
