## Gerloff Company Announcement

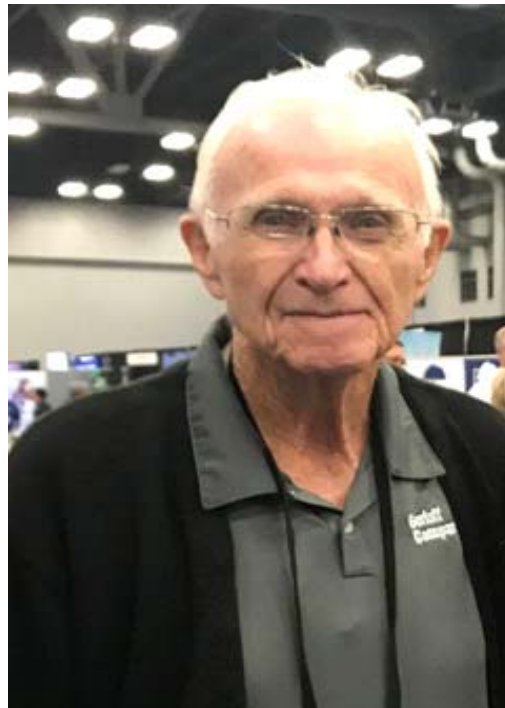

It is with mixed emotions and sincere gratitude for his service that we are announcing the retirement of Emitt Herod. Emitt has been an integral part of the Gerloff Company for the past 14 years. His hard work, commitment and dedication are worthy of admiration and his contributions to our company will always be remembered. Emitt will be greatly missed and filling his shoes will be an impossible task.

Over the past 14 years Emitt has worked as a Marketing Coordinator, calling on school districts all over the State of Texas and helping navigate our company through the school business industry. Emitt's passion for school business and willingness to help fellow educators be successful are a few of the reasons why everyone in the industry knew Emitt.

Emitt plans on spending more time with his grandchildren and continuing to master the game of golf.

On behalf of everyone at the Gerloff Company, we wish Emitt nothing but the best in his retirement.

If you would like to send a message to Emitt, please reach out to Justin Titus at [jtitus@gerloffinc.com](mailto:jtitus@gerloffinc.com), and he will make sure Emitt receives your note.
